Re: Docket No. SW-02361A-08-0609

Dear Commissioners:

This letter is in opposition to the egregious, outrageous proposed increase of the Black Mountain Sewer Corporation. As you are aware, their proposed increase from \$45.64 to \$71.08 presents a huge sacrifice for users in this era of unemployment and economic hardship. Additionally, the sewer lines were installed decades ago, have been paid for by the consumers and require no maintenance. As a comparison, my most recent bill from the City of Flagstaff which includes both water and sewer was \$25.99. Furthermore, Black Mountain Sewer does not offer the option of a Seasonal Rate, as does the City of Flagstaff and DineenTV. A Seasonal Rate is offered to consumers during a time span when the consumer is not occupying their residence. At that time the consumer is not charged any fees as they are not using their services.

Thank you, for your consideration in this matter, please do not hesitate to contact me.
